

Registration Form: New Laundry Service

Laundry Service for Lab Coats

ETH Zurich offers a laundry service for lab coats in cooperation with the *Triotex GmbH*.

Terms of use

- Only for registered groups
- 14-days-service: Lab coats are picked up every second Thursday by the laundry company and brought back to the collection point 2 weeks later (cleaned and ironed).
- Bringing and picking up the lab coats is in the responsibility of the users.
- Clean lab coats must be removed within two weeks after the delivery.
- The costs for the service will be billed directly to the organizational unit.
- The costs for the service are currently **7.15 CHF per coat**.
- The costs for the delivery service are currently **1.03 CHF per delivery**.
- Only lab coats and coats from workshops are cleaned – no private clothes, towels, etc.
- Chemically, biologically, or radioactively contaminated lab coats are not allowed to be brought to the collection point!
- **This service is on the users' own risk – ETH and the laundry company decline all responsibilities in case of lost or damaged lab coats.**
